## Announcement of Emergency Maintenance: HULFT-WebConnect

Dear Customers,

This is to inform our users of the following emergency maintenance operation on HULFT-WebConnect. We apologize for the inconvenience and thank you for your patience and understanding.

### **1. Summary**

We will perform operations to fix an error that started to occur on Monday, February 18, 2019 in which HULFT-WebConnect does not send an email notification when account information is changed.

### **2. Schedule**

Monday, February 25, 2019, 2:00 a.m. to Monday, February 25, 2019, 3:00 a.m.  
(JST)

### **3. Scope of Impact**

During maintenance HULFT-WebConnect Management Console might experience a connection break, which could result in your login session being lost.

Therefore, please refrain from using the HULFT-WebConnect Management Console during this maintenance.

If your login session is lost, the following message is displayed on the screen:

**"The session time-out occurred. Log in again."**

To use the service, wait until after the maintenance operations are complete, and then log in again.

Note: This maintenance will not affect the various file transfer functions that use the HULFT-WebConnect service.
