

Expiry of Technical Support for Legacy HULFT Products

- Expiry Date of HULFT Products Technical Support Service
Standard Support is offered for five years after the end of product sale, and it is offered for additional five years as Limited Support.
- Fee
Fifty percent (of Standard Support fee) extra is charged to Limited Support.
- Product Sale
We sell only the latest version product as a rule. After the release of the latest version, we sell the previous version product at least for six months.

Refer to the below list for the expiry date of technical support service of each product. (As of January 2017)

				-

Above schedule of expiry date may change.

Official notice of expiry date will be announced on our website.

Expiry date of sale is announced at least six months in advance. Expiry date of technical support service will be announced at least twelve months in advance.

Note:

For the product of which function improvement and function addition have been decided not be implemented in the future, the sale and technical support service will be ended regardless of the product life cycle. In such a case the announcement will be issued in advance.
