To Our Valued Customers:

Saison Information Systems Co., Ltd.
HULFT Business Unit

**Announcement of Migration of Technical Support Service Level
and Products for End of Technical Support Service**

As we have previously announced on our website, Standard Support for some products will be migrated to Limited Support in 2021, and Limited Support for some products will end in 2021. We would like to inform you again of the following.

We hope that the following information will help you make your future migration plan. If you presently use HULFT6 and HULFT7, please upgrade the version to HULFT8 for more secure, safe and convenient use.

Limited Support is an extended service for products of which Support Service ended and offers a different support level. Please note that the fee of Limited Service is 1.5 times that of Standard Support.

We will continuously strive to expand our valuable software group, and we appreciate your continued support and patronage.
