

How to download Certificate/Certification Logo

Congratulations on passing the exam!!

1. Log in to the exam site to view the exam details page.

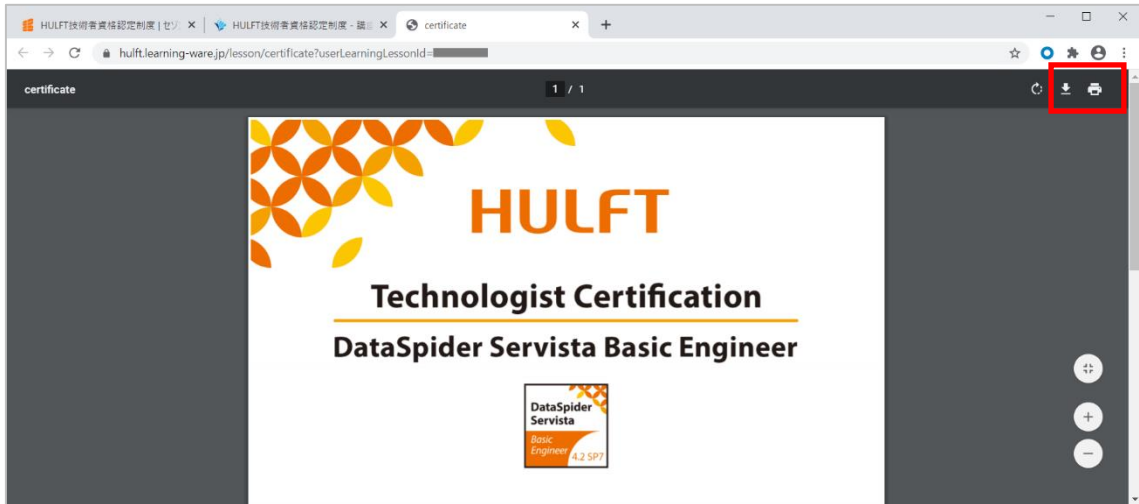

The screenshot shows the exam details page for "4.3_DataSpider Servista Basic Engineer Certification Exam". At the top, there is a progress bar at 100% and a "Show the certificate" button. Below this is a section for "Course attendance information" which includes a table with the following data:

Course category	No category
Course period	2022/04/07 16:41 to
Previous study date	2022/04/07 17:07
Latest attended unit	4.3_DataSpider Servista Basic Engineer Certification Exam
Times of learning	2 time(s)

Below the table is a "Display previously learned unit" button and a "Download certification logo" link. The link is labeled "DSSBE_4.3_logo.zip" and is highlighted with a red box. A callout box points to this link with the text "Download the certification logo here". Another callout box points to the "Show the certificate" button with the text "Show your certificate here". At the bottom right, there is a "Back to the list" button.

2. Certification

The certificate will be displayed in your browser. Please save the image.

3. Certification logo

You can download it by clicking "DSSBE_4.3_logo.zip".

note

Please read the "Terms and Conditions for Using DSSBE Certification Logo_EN.pdf" included in the zip file before using.

caution

- The account has an expiration date.
After the expiration date, your account will be invalidated. And you will not be able to download the certificate and certification logo.
Please be sure to download it before the expiration date.
- You can check the expiration date by email from HULFT Engineer Certification Office ("Notification of Account Registration Information [HULFT Engineer Certification]").
- We do not reissue the certificate or certification logo after the account is invalidated.
