### Announcement of Maintenance: HULFT-WebConnect

Dear Customers,

We schedule a maintenance operation on HULFT-WebConnect as described below.  
We apologize for the inconvenience and thank you for your patience and understanding.

#### 1. Summary

We will perform a settings change in the database server that is used by HULFT-WebConnect service and we will change server configuration of HULFT-WebConnect.

#### 2. Schedule

From August 20, 2018 (Monday) 02:00 to August 20, 2018 (Monday) 04:00 JST

#### 3. Scope of Impact

File transfers might fail because connections to HULFT-WebConnect might be instantaneously disrupted, so please refrain from performing a file transfer during the maintenance time.

If a connection from an Agent is disconnected by an instantaneous interruption, a connection from the Agent to HULFT-WebConnect is retried. However, according to the installation environment of the Agent, the Agent may fail to reconnect to HULFT-WebConnect and it may stop.

When an Agent stops during the maintenance, please restart the Agent.
