

To Our Valued Customers

Saison Technology Co., Ltd.

Notice of Discontinuation of HULFT8 Product Sales and Supports

Thank you for your ongoing support of our HULFT products.

With the release of "HULFT10," we regret to inform you that we will be discontinuing sales and technical support for the following products.

We will continuously strive to expand our valuable software products, and we sincerely appreciate your continued support and patronage.

1. Products for which sales and technical support will be discontinued

(1) Products for discontinuing sales and supports including options

- HULFT8 for zOS
- HULFT8 for IBMi
- HULFT8 for UNIX
- HULFT8 for Linux
- HULFT8 for Windows
- HULFT8 Manager

(2) Products for discontinuing sales and support only for certain products

- HULFT8 Cipher Option (C4S) for zLinux
- HULFT8 Script Option for zLinux

Notes: Saison Technology will continue to sell and support HULFT8 for zLinux and Cipher Option (AES).

2. End date of product sales, technical support service sales, and technical support service
