(Revised date: December 24, 2015)

*Revision history is described on the last page

Dear Customers

SAISON INFORMATION SYSTEMS CO., LTD.

HULFT Division

End of Sales & Support Service for Legacy HULFT Products

In accordance with the release of our product “**HULFT8**” and revision of product life cycle policy, the product sales and technical support service of **HULFT** products will end as described below.

We will continue our efforts to enhance the valuable **HULFT** software family. We would appreciate your continued patronage and support us.

SAISON INFORMATION SYSTEMS CO., LTD.

*1 Sales will end with the orders received.

*2 Limited Support is not sold for Support Pack for 5 years.

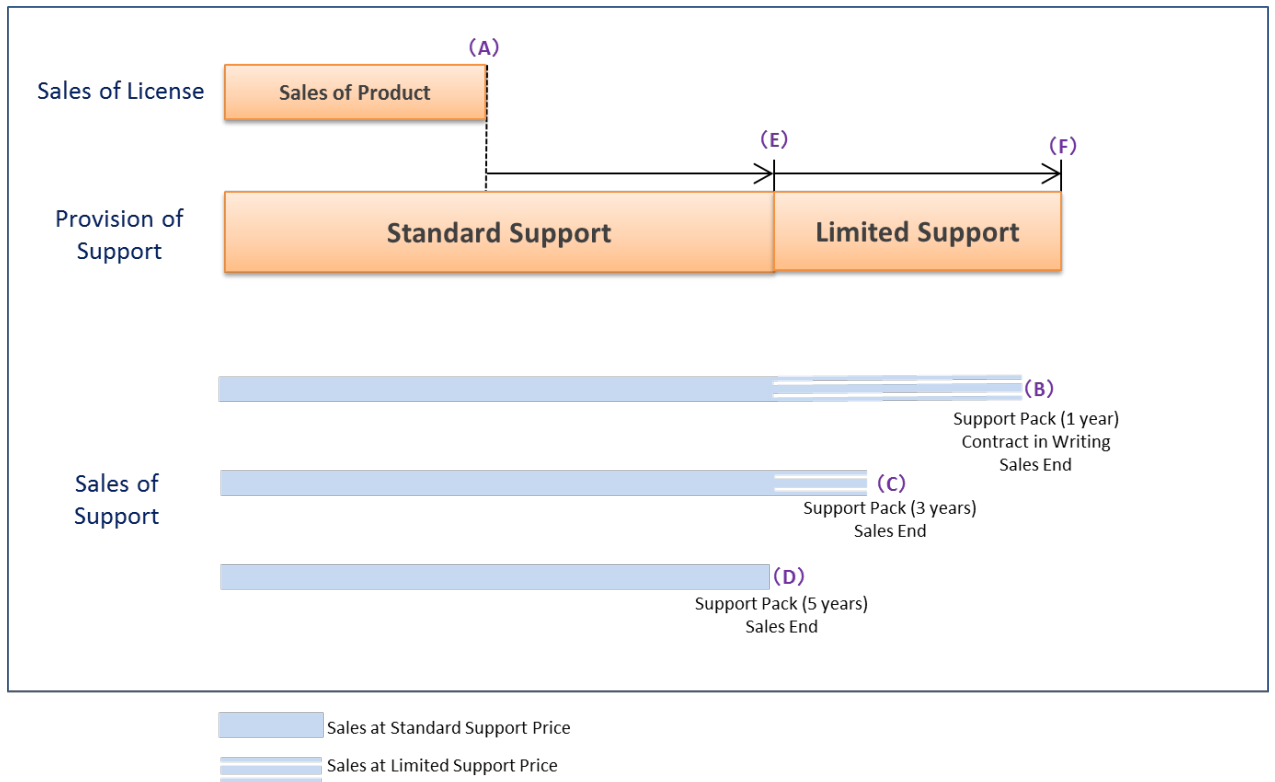

“Sales End Date of Technical Support Service” in the above table shows sales end date of support pack for 1 year and 3 years, Limited Support of contract in writing, and Standard Support of support pack for 5 years. (Please see the below figure.)

*3 Limited Support is extended support service provided to products of which Standard Support is ended.

Price is 1.5 times of that for Standard Support.

However, the price for HULFT5/HULFT5 (English), to which the limited support is currently provided, is different.

Figure: Product Sales and Technical Support Service

2. Sales End Products

Details of target products listed in the table “1. Sales End Date/Technical Support Service Provision End Date” are described.

(1) HULFT7/HULFT7e for UNIX/zLinux/Linux/ Windows

HULFT7 Manager/HULFT7e Manager

◇HULFT7 Mainframe / Optional Product

OS	UNIX	zLinux	Linux	Windows
Grade (Type)	UNIX-EX UNIX-ENT UNIX-M UNIX-L	zLinux - EX zLinux-ENT zLinux-M	Linux - EX Linux -ENT Linux-M Linux-EX Power Linux-ENT Power Linux-M Power	Windows - EX Windows -ENT Windows-M Windows-L
